DOCKETED BY

Dear respected members of the Commission,

I am writing in regards to the Arizona Public Service Rate case. As a small business owner, each increase in my cost of operation takes away from being able to expand my business. Please don't allow this proposed APS increase monstrosity to take place.

The proposed clause that allows APS to put all new residential customers on the plan APS - not the customer chooses - for the first 90 days does not seem to be a fair practice.

Please vote in favor of small businesses and individuals who pay APS for their electricity needs.

Respectfully,

RAMON RODRIGUEZ
